Marshals	Yellow

III. DESCRIPTION OF THE COMPETITION

3.1 GENERAL INFORMATION:

Total distance of the event course	150 km
Number of stages	6
Total distance of special stages	60
Road cover (surface) in special stages	Gravel, peat, clay, swamp, forest- and field-pathways

IV. ELIGIBLE ELIGIBLE VEHICLES, ATV (Quads, ATVs)

- 4.1 The competition will admit eligible eligible vehicles and ATVs conforming to technical requirements of LASF 4X4.
- 4.2 The eligible eligible vehicles are divided into the following categories: TR-1, TR-2, TR-3, OPEN, TOURISM, ATV-1, ATV-2.

V. ENTRIES

- 5.1 Entries will be accepted by e-mail info@bekelesfiesta.lt or fax +370 5 2637017.
- 5.2 Properly filled entries of participants shall reach the organiser on 08-07-2009, 12:00 at the latest. Late entries shall be only accepted when the applicant undertakes, in the application, to pay a 50% higher entry fee.
- 5.3 Maximum number of participants is not limited.

VI. TECHNICAL COMMISSION

- 6.1 The eligible eligible vehicles of participants shall be delivered for technical inspection at the time stipulated in the present provisions.

6.2 Mandatory advertising stickers shall be issued at administrative commission.

6.3 Start numbers and mandatory advertising stickers shall be put on eligible vehicle of a crew before technical inspection. When eligible vehicle declared in application has a permanent number, it shall be specified in application. When eligible vehicle does not have a permanent start number, then the start number shall be assigned after confirmation of receipt of application. Each participant shall make the start number by itself as specified in Article 5 of the 'LASF Regulation for 4x4 All-Terrain eligible vehicles Off-Road Sport Lithuanian Championship'.

VII. ENTRY FEES, TAXES, INSURANCE, LICENCES

7.1 The entry fee can be paid by participants to the organiser's account (see 'Entry fees') by means of transfer till 09-07-2009 (the entry fee shall be held paid only when the amount is received in account of Bekele's Fiesta VšĮ.) or in cash till end of work of administrative commission. The organisers are entitled to fully or partially release a participant from payment of the entry fee.

7.2 Participants shall acquire LASF one-time or annual licence of E category. Annual licences shall be acquired in accordance with LASF rules. One-time licences can be acquired at the time of administrative commission (the licence shall only be issued after submission of driver's sport-type insurance CLASSIFICATION for the time of competition for amount of LTL 5000). Price of one-time licence shall be LTL 30.

7.3 The entry fee can be increased or reduced according to conditions laid down in Clauses 5.2 and 7.1.

VIII. REQUIREMENTS

8.1 The competition can be accessed by all the sportsmen holding LASF-issued driver's licences.

8.2 Officially the sportsmen shall only include participants holding LASF-issued driver's licences. All the other crew members shall be considered as passengers. Position of second driver can be held by persons from 16 years old producing to the administrative commission consent of parents or guardians in writing.

8.3 Inspection of crew safety and equipment shall be carried out during the technical commission.

8.4 Entire crew shall be in eligible vehicle at the time of start and finish. If only one member of crew is in eligible vehicle, the result shall not be included into record.

8.5 For entire duration of competition, the all-terrain eligible vehicles shall move with low lights on; the requirement is not applied when crossing streams and using a winch.

8.6 When eligible vehicle drives at the time of competition, all the participants shall have safety belts fastened and the safety helmets fastened, when this is provided in requirements of the participant's class.

8.7 All the equipment and objects inside and outside the all-terrain eligible vehicle shall be reliably fastened to protect the crew members and surrounding persons against risks.

8.8 During the competition, the crew members shall be sober and not influenced by other intoxicating substances, as required in road traffic regulations. If suspicions arise that a eligible vehicle driver is not sober, the organisers shall suggest having a breath test. If drunkenness is found or driver refuses having the test, the organisers shall forbid the driver to participate in competition and notify the LASF 4X4 committee, which shall consider participation of the crew in other stages. The entry fee shall not be repaid.

8.9 Camera for making photo marks of participant shall be set to Lithuanian time.

8.10 Digital camera's memory card shall be empty at every SS or OSR start (when the event provides collection of KP marks). Photos of marks made in previous events shall be stored at the secretariat till expiry of protest time. After the competition, the participants shall be entitled to obtain copies of their photo marks from computer of the secretariat.

- 8.11 The secretariat shall not accept data of photo card, if the Lithuanian time was not set in the camera or if photos not related to the competition and/or the event are found in the card.
- 8.12 If a participant fails to delete from a card any data not related to the event and fails to submit to the secretariat a memory card conforming to the competition requirements, no photo marks of the event shall be accepted.
- 8.13 Additional requirements:
- GPS device. Settings: WGS84 hddd'mm.mmm'
 - Digital camera with clean memory card
 - Cable for direct transfer of photos from camera to PC

IX. RUNNING OF THE COMPETITION

- 9.1 Official time of the competition – local time according to signals of Lithuanian Radio.
- 9.2 Start of the competition:
Place: Ukmergė Region, Vidiškiai, 'Versmė' Route
Date / time: 10-07-2009 / 19.00
- 9.3 Starting sequence shall be laid down in meeting of participants.
- 9.4 Any changes and supplements, also other important information in relation to the competition, shall be published in bulletins in official competition board.
- 9.5 During the competition, all the participants shall drive in the route specified. Circumvention of obstacles in special sections shall be fined in each case. It is forbidden to shortcut angles of bends or to make turns earlier than provided. A faster participant, approaching to overtake, shall be let through by moving to the right side of route and significantly reducing the driving speed. It is strictly forbidden to drive in the route against the specified driving direction.
- 9.6 For each SS a time limit is laid down, as specified in description of SS.
- 9.7 Crews departing from the competition shall notify the Organiser about reasons, place and time of the departure via phone number +37060024144.
- 9.8 In case of repair works, under the eligible vehicle repaired the participants must use a planking resistant to water and oils (minimum size 4m x 4m). In place of refuelling, they must also use petrol-resistant film under the fuel tank opening (minimum size 1m x 1m).
- 9.9 Evacuation. Evacuation service of the organisers shall, as expeditiously as possible, take care of evacuation of unmoving eligible vehicle and transport it to a nearest road or settlement. The evacuation shall only be guaranteed within 48 hours from receipt of request from participant. Evacuation fee shall be LTL 100.
- 9.10 Time of crossing of SS shall be recorded manually.
- 9.11 The SS crossing time shall be recorded in accuracy of hh:mm:ss, unless specified otherwise.

X. PENALTIES AND PROHIBITIONS

- 10.1 During the competition, it shall be forbidden:
- To tow a eligible vehicle using a winch without use of fabric 'suppressing' energy of broken rope
 - To tow a eligible vehicle using a winch without use of strap protecting tree bark (50 mm width at least)
 - To use metal parts for connection of soft ropes
 - To cut, saw or uproot green trees
 - To litter and make fires
 - To work with steel ropes without protective gloves
 - To stand between eligible vehicles linked with ropes
 - To fasten metal ropes or other metal components to trees
 - To make photo marks with size exceeding 1MB
 - To provide photo marks made by mobiles phones
- 10.2 Other violations and amounts of fines are laid down in Annex 1.

XI. PROTESTS AND APPEALS

11.1 All protests shall be submitted following the requirements of Art.171 -179 of the Lithuanian automobile Sport Code (LASC).

11.2 All protests shall be filed together with the deposit of 350 Lt, which shall be repaid only if the protest is satisfied.

XII. RESULT CALCULATION. CLASSIFICATIONS

12.1 Results shall be calculated in accordance with LASF 4X4 championship point calculation procedure.

12.2 All the participants of this competition take part in 2009 4X4 open Lithuanian off-road championship for all-terrain eligible vehicles.

12.3 A team made of two ATV takes part in the competition.

12.4 Annual record of both a stage and the championship shall be made for every driver of ATV.

12.5 A classification annual result of the championship shall be the sum of points collected in all the classes during six best stages of the crew / participant.

XIII. AWARDS

13.1 The crews placed I-III in classes classifications will be awarded by presenting cups and diplomas.

13.2 Prize winners, who do not participate in the award procedure without a CLASSIFICATION excuse, shall not receive prizes of sponsors, and the medals and cups shall be sent via post or taken otherwise.

13.3 Prize winners, who cannot participate in the award procedure because of a classification excuse, shall submit (by themselves or through representatives) to management of the competition a request in writing, describing the important reason of non-participation in award procedure and naming the person authorised to take the award and prizes of sponsors.

XIV. USEFUL INFORMATION

Camping in field conditions: tents, eligible vehicles, campers. Catering points will be available.
