## Welcome and introduction

Finn Højlund Hansen, Clerk of the Course

We are happy to welcome you to the GJØNGE RALLY 2008, sponsored by DANFLEX HUSE. Gjønge Rally is a well known Danish rally with a long tradition. The first rally goes back to 1963, and the 2008 edition will be the 29<sup>th</sup>. This year, the NEZ organisation has put the NEZ Nations Cup West in our hands, and we will do our utmost to fulfil your expectations.

The rally is organised by the Sydsjællands Automobil Klub, located i Vordingborg. The rally will take place in the southern part of Zealand, comprising 12 special stages with a length of 110 km. The total rally will be 275 km. There will be 6 different stages, all run twice, mainly on tarmac.

Once again, welcome to the beautiful area of Southern Zealand.

### ***Pre-event procedure***

Order in which you have to report

#### ***1. Administrative check-in & Reconnaissance***

Administrative check-in for foreign drivers must be completed before leaving for reconnaissance.

Administrative check-in and reconnaissance registration will take place at

Date: Friday, 25<sup>th</sup> april 09:00 – 10.00

Place: Barmosen

Mosegaardsvej 20B

DK-4760 Vordingborg

GPS position: N 55° 3' 0"

E 11° 54' 44"

Reconnaissance is only possible Friday 25<sup>th</sup> april from 10.00 – 18.00

The Reconnaissance vehicle must conform to these specifications:

- Only serial-manufactured cars
- No advertising
- No roll-over cage
- Noise level must conform with the Danish Traffic Regulations.

The Reconnaissance vehicle will be marked with identification number.

**Please note:** Reconnaissance is NOT training !! Under all circumstances the speed limits must be respected. These are 80 km/h on normal roads, 50 km/h in villages and cities.

Violating the reconnaissance rules will be penalized both by the police and by the stewards. The penalty of the police will be a fine up to 1.000 EUR and the penalty of the stewards will be refusal of start. **So don't do it !**

#### ***2. Noise measuring***

Each crew must report to the noise measuring at the exact time stated in Bulletin 1. Location will be announced in Bulletin 1.

#### ***3. Scrutineering***

Directly after noise measuring, drive to scrutineering.

Location will be announced in Bulletin 1.

The rally car may be presented to the scrutineering by the service crew.

# Special Danish conditions

## ***Starting procedure***

The start will be given by an electronic count down device. Five seconds before start, 5 red lamps will light, and they will go out one by one every second. When all lights are gone out, the start shall take place. False start will be recognized by the device and all lamps will flash.

## ***Time Cards***

Time cards for the rally will be provided at the scrutineering. The time cards consist of white pages (original) and yellow pages (copy). The white pages are the originals and will be collected at certain time controls. The yellow pages are your receipt. How the time card work will be discussed at the welcome party.

## ***Round Circuits***

A round circuit is a special stage consisting of one or more laps on the same roads, and a exit road leading to the finish. This is very common in Denmark. There will be 6 round circuits in Gjoenge Rally 2008. How they work will be discusses at the welcome party.

## ***Roadside markings***

In order to protect the roadside, some markings will be placed in the turns. They will consist of 3 car tyres on top of each other, strapped together and marked with a red/white ribbon. The location of these will be marked on the road under the reconnaissance.
