Separate results will be made up, dividing the finishers in the following groups:

- Group 1: 4WD- Grp. A, WRC cars, RRC, N, Super 2000, R4, R5, National cars.
- Group 2: 2WD- Grp. A, N, R and National cars.

The points for each nation are calculated by adding the points received in the NRC by the nations highest scoring competitor in each group. This means that a nation can count only points for up to three drivers, and that the maximum of points a nation can score in an event is 60 points. It is not possible to count points from more than one driver in a group, which means that if a nation don't have a competitor scoring points in one of the groups, the nation gets zero points for the group in this case.

The nation which has the most points after adding the points, will be the winner in the event, and can be awarded if the organizer chooses to do so.

Details

- All Rally guides must be published 90 days before the event.
- Supplementary regulations and official papers must be available English.
- The NEZ- groups must be shown in the entry-form, paper or electronic entry, so it is easy for all NEZ-drivers to find the correct group. However there are no obligations for the organizer to open the NEZ-groups as separate classes in the event. It is possible to let drivers compete in the events ordinary classes, but separate entry lists and result lists for the NEZ groups must be provided by the organizer.
